Preface.

IT is not known when the Church of St. James Gorton, was founded, but we have the evidence of the Will of Ambrose Beswick that it existed in 1562. The Church is about three miles south-east of Manchester and stands a little north of the road leading from Manchester to Hyde.

It has been stated that the Registers commence in 1570, but no trace of any Register earlier than 1599 can now be discovered.

The two Registers which constitute the present Volume are as follows:—

Volume I.—Bound in sheepskin—contains 59 leaves of parchment each measuring 11 inches by 7 inches.

Volume II.—Leather-bound—contains 58 leaves of parchment, each measuring 11 inches by 7 inches; two paper fly-leaves at the beginning of the Volume and one paper fly-leaf at the end.

It is hoped the chronological key may assist in straightening out the confused arrangement of years in the earlier Volume, and the original scribe is responsible for the vagaries of spelling.

The thanks of the Society are due to the Rector of Gorton, Canon W. G. E. Rees, D.D., for facilities afforded in transcription, and to the Bishop's Registrars at Chester for affording access to the Episcopal transcripts.

Chronological Key.

N.B.—The letters C., B. and M. in the following key signify Christenings, Burials and Marriages; and the numbers after the respective letters indicate the pages of the Printed Register on which entries for the particular year will be found. From page 30 Christenings, from page 75 Burials, and from page 94 Marriages, will be found in strictly chronological sequence.

It will be noted there are no entries at all for the years: 1602 to 1607 (both inclusive), 1609 to 1616 (both inclusive), 1620, 1622 to 1628 (both inclusive), 1631, 1634 to 1636 (both inclusive), 1638, 1639, and 1642 to 1648 (both inclusive).

Indexes.

I.

Of Christian Names and Surnames.

C...1–55. *B*...56–90. *M*...91–103.

Where a name has variants the Head-name has been selected which now exists or which most closely resembles the modern equivalent. All variants are separately indexed with cross references to the Head-name.

Where a Surname has an *alias* each form of the Surname is Indexed under its initial letter.

The Christian names are, with some few exceptions, Indexed under their modern form, the first spelling of the name having generally been continued in connection with the same Surname.

Illegitimate Children are Indexed under the Surnames of both Mother and putative Father.

"N.X.N." signifies "No Christian Name."

An asterisk following a page number signifies that that combination of Christian and Surname occurs more than once on the page number asterisked.
